BONDING AGENT INFORMATION

It is the policy of the Warren County Sheriff's Department to accept a bond from any current bonding agent within the State of Missouri. Prior to accepting a bond, our corrections personnel will verify the agent's bonding status by requiring proof of identity such as a valid Missouri driver's license or identification card, and a copy of the bond license issued by the State of Missouri. Such credentials will be checked against a statewide list of authorized bonding agents. This list is maintained by the State of Missouri, and is updated on a monthly basis.

For security and logistical reasons it is not practical to provide the jail population telephone books from throughout the region. For convenience we post a list of Bail Bond Agents that have a local Warrenton 456 telephone number. If you are a licensed bonding agent, with such a local number, and you would like to be included on this list, please contact me at the above office number.

A handwritten signature in black ink that reads 'Kevin T. Harrison'.
