PRESS RELEASE

From Sheriff Kevin T. Harrison
March 12, 2010 @ 2:45pm

Warren County Sheriff Kevin Harrison reports the arrest of a 49 year-old man from O'Fallon Missouri for manufacturing a controlled substance. The arrest occurred at 2:30pm on March 9, 2010 as a result of a surveillance operation and a traffic stop in Warrenton Missouri. Upon stopping the vehicle Detectives Doerr and Welschmeyer observed numerous items and chemicals inside the vehicle that are used in the clandestine manufacturing of methamphetamines. The suspect was identified as:

George D. McCleary
49 Year Old, White, Male
Elm Tree Road, O'Fallon, MO
Manufacturing Controlled Substance
\$25,000.00 Bond

Specifically the detectives located the chemical ingredients necessary to manufacture anhydrous ammonia, which is a vital component in the meth making recipe. In addition McCleary also had in his possession a shopping list of the other ingredients, chemicals, and equipment necessary to produce methamphetamine.

Sheriff Harrison urges persons who notice illegal or suspicious activity to contact the Warren County Sheriff's Department at 636-456-4332.
